Jesus' Miracles - Healing and Raising from Death

We saw Jesus last week as He was, true man. He was tired from walking, He was hungry and thirsty. We also saw Him, true God, offering the woman His living water, faith for her salvation.

Jesus was showing the people who He was in many ways through His preaching and His miracles. Our lessons this week demonstrate vividly Jesus and His power. He healed the paralyzed man, and He raised the widow's son from the dead!

He also gave the Pharisees, and us, another very important lesson. His power of the forgiveness of sins. The most important thing about the paralyzed man was not his human body. Jesus prioritized faith and forgiveness of sins above healing of the man's physical condition.

Jesus wants us to come to Him in our every need. Our physical needs matter to him. He will give us rest. But He also tells us that life is more than food, and the body is more than clothes. He didn't come to make this life easier for us, He came to save us for eternity.

*Dear Jesus,
 Thank you for being with us and helping us throughout our lives. We know we can come to you in any trouble and You will hear us. Help us to always remember that your purpose is even greater than our physical needs, your purpose is for our eternal salvation. Thank you for this precious, undeserved gift. Amen.*

Did you know...

We are looking for people to join our Sunday School Team. Would you be willing to help as a substitute when we are short staffed? Would you be interested in co-leading a class? Or perhaps assist with the younger students while they are being taught?

It is a joy to share God's love with the children. We receive far more than we give. You can mention it to your child's teacher and we can talk, or you can reply directly to this email and we will contact you. Thank you.

Mission Money Bibles... 78 Bibles

Our families are blessed. Do you have a Bible in your home? Many of our children have even more than one Bible. Not having access to God's word is a sad thought. With this year's mission money, our children get to give the gift of God's word to other children.

A gift of \$2.00 will purchase a Bible for a child that has no access to one.

Please consider having a conversation with your child. Help them realize how blessed they are for this gift of God's love and salvation, and help them share this love with other children.

A few faces having some fun :)

*God's blessing to you as you go throughout your week. See you next Sunday!
